DAILY MAINTENANCE AND REGULAR SCHEDULED MAINTENANCE IS THE RESPONSIBILITY OF THE RENTER.

Rates subject to change and are dependent upon availability

TERMS AND CONDITIONS

Rental units are available to contractors with qualified operators.

PAYMENT TERMS

Rental payments are required in advance.

RATES

All rates shown are based on a single shift operation of 8 hours per day, 40 hours per week, or 160 hours per month.

TAXES

All rates are subject to state sales tax.

DELIVERY AND PICKUP

Transportation of the rental machine is the responsibility of lessee.

INSURANCE

The lessee is required to have both liability and physical damage insurance that covers the rental unit.

MAINTENANCE

Lessee is required to maintain machine as directed by the manufacturer and is responsible for replacing all expendable parts (i.e. cutting edges, filters, etc.). Lessee is responsible for any damage caused by neglect to replace expendable items. Lessor is responsible for normal wear and tear.

TIRES

Lessee is required to practice reasonable care in the use of rubber tired equipment and will be responsible for any unusual wear and tear of the tires. If lessee causes such damage as to require a new tire he will be expected to replace said tire with one of equal style and quality. Other tire damage (i.e. cuts or punctures) will be prorated.

DAMAGE AND LOSS

Lessee shall be liable for any loss, theft, damage or destruction of rented machinery.

REPAIRS

Lessee is to inform A.R. Beatty Diesel, Inc. immediately of equipment failure.
